**REQUEST FOR EXPEDITED
CONSIDERATION AND
WAIVER OF HEARING**

This matter comes before the Commission upon an application by Go Smooth Move, LLC, d/b/a Smooth Move (“Smooth Move”) to expand the scope of its Class E Certificate No. 9796 and permit operations to all points within the State of South Carolina, and to amend its Tariff to reflect rate increases. Smooth Move hereby respectfully requests that the Commission expedite its consideration of this matter and forego a hearing. The Office of Regulatory Staff has been consulted prior to the filing of this motion and has no objection to Smooth Move’s request.

DISCUSSION

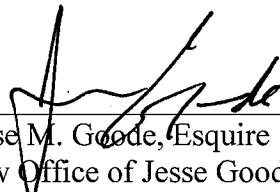

Smooth Move’s application to expand the scope of its Class E Certificate is being filed along with this Motion. The Notice of Filing of the application to amend the Class E Certificate will be published immediately following filing of the Amended Application.

When an application to amend a certificate of PC&N is submitted and there is no opposition, the Commission may, but is not required to, hold a hearing under S.C. Code of Regs. §103-134. Here, the amendment is being sought solely for the purposes of expanding the scope of authority of an existing certificate and to increase tariff rates. Smooth Move intends to satisfy

its burden and present the testimony of shipper witnesses by deposition which will be filed with the Commission in the near future. At that time, the record will be complete and the matter will be ripe for the Commissions consideration. As a result, Smooth Move believes there is no need for a hearing on its application. Smooth Move has consulted with the Office of Regulatory Staff regarding this motion and has been informed that ORS has no objection to this request.

CONCLUSION

Smooth Move respectfully requests that the Commission forego a hearing in this matter and consider this matter on the record before it, which will be fully developed in the very near future.
